Within ten (10) days after such amendment is filed, the city secretary shall examine the amended petition and certify as to its sufficiency. Sec. 8.05. City council consideration and submission to voters.

When the city council receives an authorized initiative petition certified by the city secretary to be sufficient, the city council shall either:

- (a) pass the initiated ordinance without amendment within thirty (30) days after the date of the certification to the city council; such passage will have the same force and effect as though it had been adopted by the electorate; or
- (b) submit said initiated ordinance without amendment to a vote of the qualified voters of the city at a general or special election to be held on a date, if permitted by law, within sixty (60) days after the date of the certification to the city council, or on the next date thereafter on which such election is permitted by law; or
- (c) at such election, submit said initiated ordinance without amendment, and an alternative ordinance on the same subject proposed by the city council.

No ordinance on the same subject as an initiated ordinance which has been defeated at any election may be initiated by the voters within two (2) years from the date of such election.

When the city council receives an authorized referendum petition certified by the city secretary to be sufficient, the city council shall reconsider the referred ordinance, and if upon reconsideration such ordinance is not repealed, it shall be submitted to the voters at a general or special election to be held on a uniform election date consistent with the Texas Election Code, as amended.

Sec. 8.06. Ballot form and results of election.

The ballot used in voting upon an initiated or referred ordinance shall state the caption of the ordinance and below the caption shall set forth on separate lines the words: "For the ordinance" and "Against the ordinance."

An initiated ordinance and an alternative ordinance proposed by the city council which are submitted at the same election shall be appropriately identified as the initiated ordinance and as the ordinance proposed by the city council.

Any number of ordinances may be voted upon at the same election in accordance with the provisions of this chapter. An ordinance submitted and receiving an affirmative majority of the votes cast, shall thereupon be effective as an ordinance of the city. An ordinance so adopted may be repealed or amended at any time after the expiration of two (2) years by affirmative votes of the city council. A referred ordinance which is not approved by a majority of the votes cast shall be deemed thereupon repealed.

The city council may only waive penalties and interest consistent with state law.

(b) The city assessor-collector shall assess property which has been omitted from assessment in prior years upon a current supplemental assessment roll. A special lien is hereby created on all taxable property, located in the city, in favor of the city for all taxes, ad valorem, occupational or otherwise. Said lien shall exist from January 1st in each year until the taxes are paid. Such lien shall be prior to all other claims, and no gift, sale, assignment or transfer of any kind, can ever defeat such lien, but the tax assessor-collector can pursue such property and whenever found may, by judicial writ, seize and sell enough thereof to satisfy such taxes.

Sec. 9.06. Validity of tax rolls.

No irregularity in the time or manner of making or returning the city assessment rolls or the approval of such rolls shall invalidate any assessment.

Sec. 9.07. Other rules and regulations.

Except as otherwise provided by law or by this charter, the city council shall have the power to provide by ordinance for the assessment and collection of all taxes, and to make such rules, regulations, and mode of procedure to enforce the collection by and payment to the city tax assessor-collector as it may deem expedient, and may provide such penalties for the failure to pay such taxes as it may deem expedient.

(e) Directly or indirectly use any confidential information which was gained by reason of such person's official position for such person's own personal gain or benefit or for the benefit of others. Disclose or reveal any information or the contents of any discussion which would violate the provisions of the Texas Public Information Act, V.T.C.A., Government Code Chapter 552, as amended, or the Texas Open Meetings Act, V.T.C.A., Government Code Chapter 551, as amended;

(f) Definition: An "officer" or "official" of the city is a person who holds an appointed or elected position that exercises responsibilities beyond those that are merely advisory in nature. An officer includes, but is not limited to, city council members, members of the planning and zoning commission, the board of adjustment, city manager, city secretary, and municipal court judge.

Sec. 11.02. Nepotism.

No person may be employed, appointed, or confirmed to any position that is to be paid by public funds if that individual is related by consanguinity within the third degree or within the second degree by affinity to any member of the city council or the city manager.

Sec. 11.03. Conflict of interest.

It shall be grounds for removal from office or termination of employment with the city if an official knowingly violates the provisions of this section or participates in a vote or decision on any matter involving a business entity or real property in which the official has a "substantial interest," consistent with chapter 171 of the Texas Local Government Code, as amended. Any willful violation of this section shall constitute malfeasance in office and any officer or employee found guilty thereof shall thereby forfeit his or her office or position. Any violation of this section with the knowledge, express or implied, of the person or the corporation contracting with the governing body of the city shall render the contract involved voidable by the city manager or the city council.

Sec. 11.04. Lobbying by former officials.

No former officer of the city shall knowingly represent or appear on behalf of the private interest of others before the city council, the board, commission or committee of which the officer formerly served, for at least six (6) months after the officer ends his association or service with the city.

Sec. 11.05. Boards and commissions.

No person serving on any board, commission or committee may be related within the second degree by consanguinity or the first degree by affinity to any city council member or other member serving on the same board, commission or committee.

Chapter XII. GENERAL PROVISIONS**Sec. 12.01. Publicity of records.**

All records and accounts of every office, department, or agency of the city shall be open to inspection by any citizen or by any representative of the press at all reasonable times and under such reasonable regulations as may be established by the city manager and/or the city council, except records and documents the disclosure of which would tend to defeat the lawful purpose which they are intended to accomplish or those records and documents prohibited from disclosure by law.

Sec. 12.02. Official bond for city employees.

The city council shall require bonds of all municipal officers and employees who receive or disburse any funds of the city. The amount of such bonds shall be determined by the city council and the cost thereof shall be paid by the city.

Sec. 12.03. Tort liability.

Before the city shall be liable for damages for the death or personal injuries of any person or for damages to or destruction of property of any kind, which does not constitute a taking or damaging of property under Article I, section 17, constitution of the State of Texas, the person injured, if living, or his representatives, if deceased, or the owner, his agent or attorney of the property damaged or destroyed shall give the city manager or city secretary notice in writing of such death, injury, damage or destruction, duly verified by affidavit, within ninety (90) days after the same has been sustained, stating specifically in such written notice when, where, and how the death, injury, damage or destruction occurred, and the apparent extent of any such injury, the amount of damages sustained, the actual residence of the claimant by street and number, at the date the claim is presented, the actual residence of such claimant for six (6) months immediately preceding the occurrence of such death, injury, damage or destruction, and the names and addresses of all witnesses upon whom it is relied to establish the claim for damages. No action at law for damages shall be brought against the city for such death, injury, damage or destruction prior to the expiration of sixty (60) days after the notice hereinbefore described has been filed with the city manager or the city secretary.

Sec. 12.04. Severability clause.

If any section or part of section of this charter shall be held invalid by a court of competent jurisdiction, such holding shall not affect the remainder of this charter nor the context in which

such section or part of section so held invalid may appear, except to the extent that an entire section or part of section may be inseparably connected in meaning and effect with the section or part of section to which such holding shall directly apply.

Sec. 12.05. Effect of charter on existing laws.

All codes, ordinances, resolutions, rules and regulations in force on the effective date of this charter, and not in conflict with this charter shall remain in force until altered, amended or repealed by the city council. All taxes, assessments, liens, encumbrances and demands, of or against the city, fixed or established before such date, or for the fixing or establishing of which proceedings have begun at such date, shall be valid when properly fixed or established either under the law in force at the time of the beginning of such proceedings or under the law after the adoption of this charter. All rights of the city under existing franchises and contracts and all existing authority for the issuance of bonds, granted prior to adoption of this charter, shall be preserved in full force and effect.

Sec. 12.06. Applicability of general laws.

The constitution of the State of Texas, the statutes of said state applicable to home rule municipal corporations, as now or hereafter enacted, this charter and ordinances enacted pursuant hereto shall in the order mentioned, be applicable to the City of The Colony but the city shall also have the power to exercise any and all powers conferred by the laws of the State of Texas upon any kind of city, town or village, not contrary to the provisions of said home rule status, charter and ordinances, but the exercise of any such powers by the City of The Colony shall be optional with it, and it shall not be required to conform to the law governing any other cities, towns or villages unless and until by ordinance it adopts same.

Sec. 12.07. Amending the charter.

Amendments to this charter may be formulated and submitted to the voters of the city in the manner provided by the Texas Elections Code, as amended.

Sec. 12.08. Judicial notice.

This charter shall be deemed a public act and shall have the force and effect of a general law, may be read in evidence without pleading or proof, and judicial notice shall be taken thereof in all courts and places.

Sec. 12.09. Gender of wording.

The masculine gender of the wording used throughout this charter shall always be interpreted to mean either sex.

Sec. 12.10. No waiver of immunity.

Nothing in this charter is intended to waive the city's governmental immunity from suit and/or damages.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER. As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER. A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER. State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN. If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;

- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT. The appropriate filing authority depends on the office sought or held.

- a. **Texas Ethics Commission.** The Texas Ethics Commission is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:
 - Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
 - State Senator or State Representative.
 - Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*
 - State Board of Education.
 - A multi-county district judge* or multi-county district attorney.
 - A single-county district judge.*

- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
 - A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
 - A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.
- * Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY. If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

FORMING A POLITICAL COMMITTEE. As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: See the *Campaign Finance Guide for Political Committees* for further information about specific-purpose committees.

CHANGING A CAMPAIGN TREASURER. If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT. If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS. If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT. You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT. For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING. All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Ethics Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES. All candidates should review the applicable Ethics Commission’s campaign finance guide. Guides are available on the Ethics Commission’s website at <http://www.ethics.state.tx.us>.

10. **CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

PAGE 2

11. **CANDIDATE NAME:** Enter your name as you did on Page 1.

12. **MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

EXCEEDING \$500 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the amendment form (ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Ethics Commission's campaign finance guide that applies to you.

This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

12. CANDIDATE SIGNATURE: Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The *degree of consanguinity* is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. **Examples:** (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual’s brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband’s relatives as her husband has by consanguinity. For example, a wife is related to her husband’s grandmother in the second degree by affinity.

Note: The changes you have made on this form will replace the information on your previous APPOINTMENT form (Form CTA).

PAGE 2

13. CANDIDATE NAME: Enter your name as you did on Page 1, Section 1.

14. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semi-annual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

Exceeding \$500 in contributions or expenditures. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

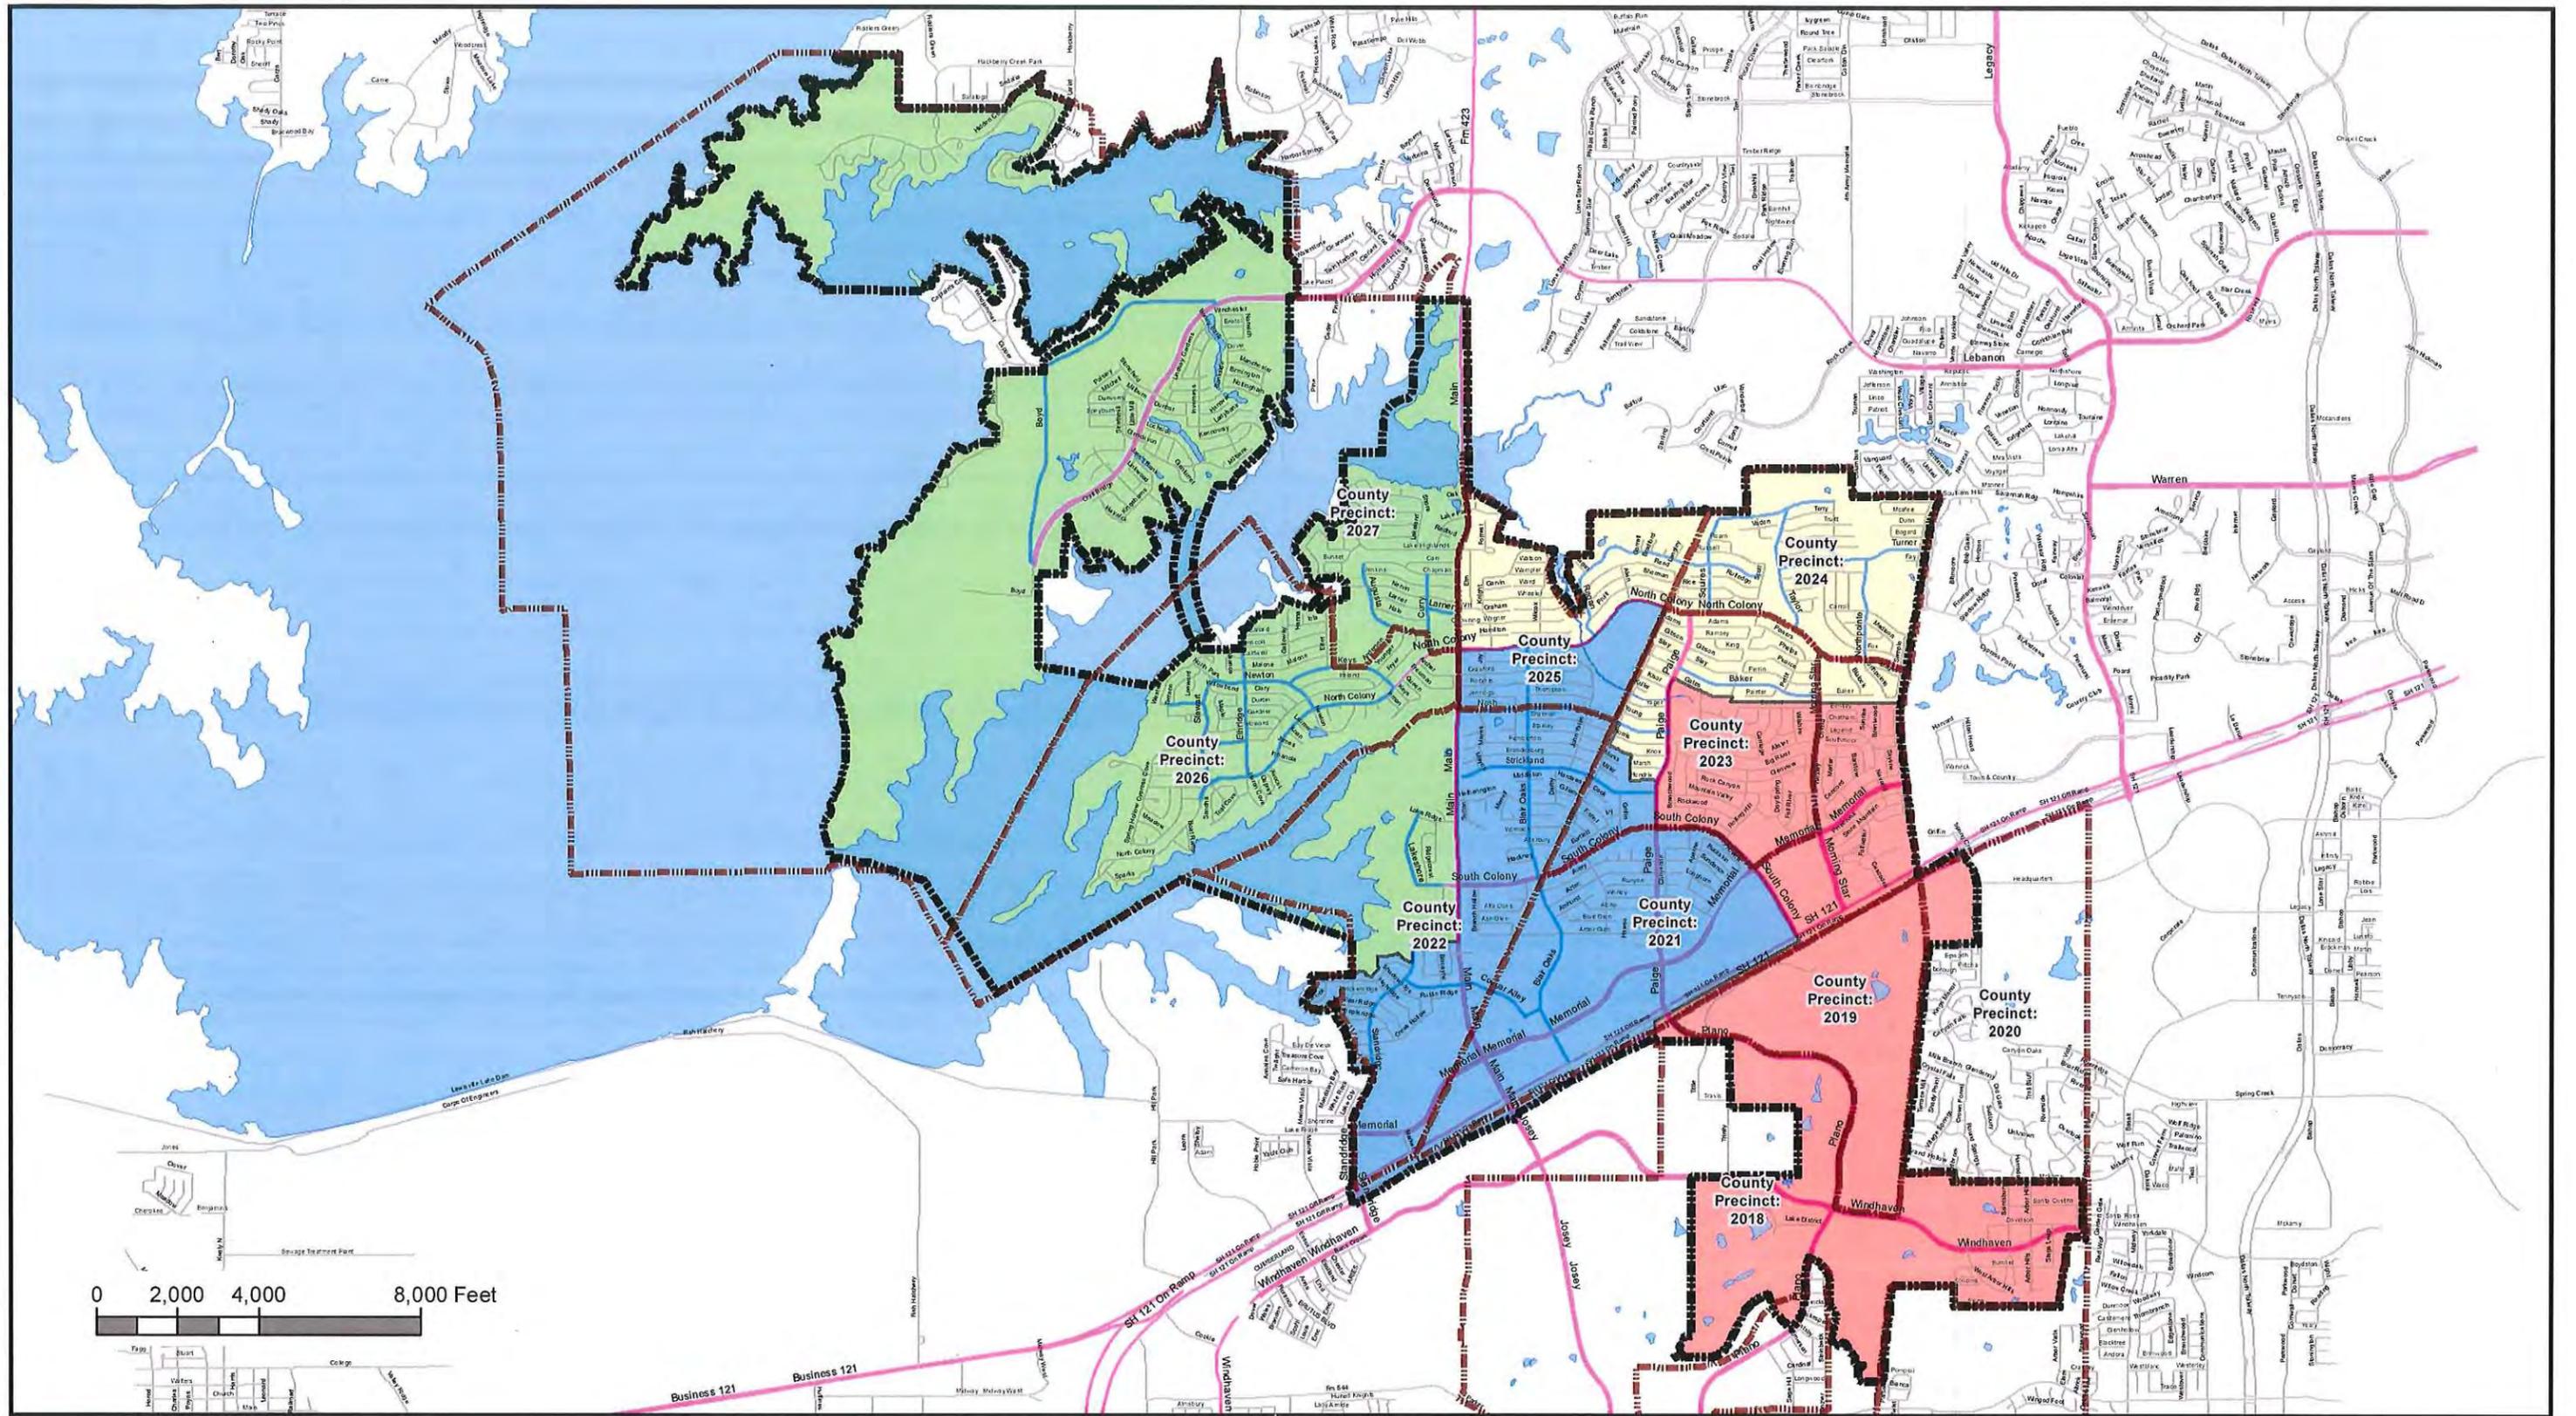

Your selection is not valid for other elections or election cycles. Use another amendment form (ACTA) to renew your option to file under the modified schedule.

For more information, see the Ethics Commission's campaign finance guide that applies to you.
