No injuries reported as firefighters battle four-alarm blaze

THE COLONY, Texas — The Colony Fire Department was dispatched to a structure fire at 3:58 a.m. Monday morning at the Comfort Suites, 4796 Memorial Drive.

Upon arrival, TCFD units encountered heavy fire on the third floor. Search, rescue, and fire attack efforts were coordinated to evacuate the guests and extinguish the fire.

The incident went to four alarms partially because of the icy conditions and partially because of the heavy occupancy load of the structure. The fire was contained in about an hour.

While there was significant damage, there were no injuries. The cause appears to be electrical and weather related.
