

PRESS RELEASE — Dec. 23, 2013

Communications: 972-624-3156

Christmas tree recycling available

THE COLONY, Texas — The City of The Colony's Christmas Tree recycling site for 2013 will be located on the west side of the Animal Control facility at 4720 E. Lake Highlands. Residents may bring their trees to be recycled starting Dec. 27 and continuing through Jan. 19.

Please place the trees in the designated area at this location. Trees must have all lights, ornaments, tinsel and bases removed. Do not drop off artificial or flocked trees.

Mulch will then be available after Jan. 26 on a first-come basis until gone. Please bring your own containers.

For information, call the Environmental Services Department at 972-624-3131.
