## **Mulch available starting Jan. 27**

THE COLONY, Texas — Mulch from the city's annual Christmas tree recycling program will be available starting Monday, Jan. 27.

Residents may pick up the mulch on the west side of the Animal Control facility at 4720 E. Lake Highlands. Mulch pickup is on a first-come, first-served basis until supplies are gone. Participants must bring their own containers.

For information or questions, call the Environmental Services Department at 972-624-3131.
