## **Traffic advisory for Paige Road, Plano Parkway at SH121**

THE COLONY, Texas — Construction work is progressing on the widening of Plano Parkway to a six-lane divided thoroughfare. As a part of this work, southbound Paige Road under SH121 is reduced to two left-turn lanes and one through lane to Plano Parkway. This phase of the work is scheduled to be completed in two months. Signal timing adjustments are being performed to facilitate traffic movement.

The City of The Colony appreciates the public's patience during the construction of this street widening project and reminds motorists to use extra precaution while driving through the work zone. Motorists are advised that the speed limit has been lowered in some areas of the construction.

For more information about upcoming lane closures and other traffic-related news, please contact Director of Government Relations Brant Shallenburger at 972-624-3108.
