Blood drive set for March 3 at City Hall

THE COLONY, Texas — The Red Cross of DFW reports that winter storms and freezing temperatures have forced cancellation of hundreds of blood drives and resulted in thousands of uncollected blood and platelet donations.

Please help replenish the region's supplies by participating in an upcoming blood drive in The Colony. The drive will be from 10 a.m. and 2 p.m. March 3 at City Hall, 6800 Main St.

Walk-ins are welcome but appointments may be made online by visiting www.redcrossblood.org, sponsor code: thecolony.
