## **Blood drive set for March 10 at City Hall**

THE COLONY, Texas — A Red Cross blood drive, originally scheduled for March 3 but cancelled due to inclement weather, has been rescheduled for Monday, March 10, at The Colony City Hall, 6800 Main St. The drive will be from noon to 4 p.m.

Walk-ins are welcome but appointments may be made online by visiting [www.redcrossblood.org](http://www.redcrossblood.org), sponsor code: thecolony.

The Red Cross of DFW reports that winter storms and freezing temperatures have forced cancellation of hundreds of blood drives the past few months and resulted in thousands of uncollected blood and platelet donations. Please help replenish the region's supplies by taking part in this event in The Colony.
