Applicants sought for Technologies Board vacancy

THE COLONY, Texas — The City of The Colony is currently accepting applications from individuals interested in volunteering to fill a vacancy on the city's Technologies Board.

The focus of this board is to identify emerging technologies including, but not limited to, computers, telecommunications, data, voice, and video technology, and make recommendations to the City Council and city staff as to how these technologies can be utilized to the advantage of the city and its residents.

While additional qualifications may apply, applicants must be residents of The Colony for a minimum of six months, be a registered voter, and not be in arrears of any payment due the city. Applicants must be available to attend meetings on the first Monday of the month in the evening hours, and prepare for those meetings with materials provided by the city. Candidates for this board position will be interviewed and appointed by the City Council.

Submit applications to the City Secretary, 6800 Main St., The Colony, Texas 75056. Information on the various boards and the application form are available on the city's website, www.thecolonytx.gov, under "Government/City Boards," and at City Hall. For additional information, contact the Technologies Board liaison at 972 624-3124.
