SUBJECT: Two Robberies over Weekend

Two robberies occurred in The Colony this last weekend.

The first robbery occurred on 05/29/09 at Chevron One Stop Express in the 5700 blk of S.H. 121. The Colony Police Department received a call at around 11 p.m. that the business had just been robbed. When officers arrived, the clerk stated that about six subjects entered the store abruptly. One subject pointed a handgun at the clerk and demanded money. As the clerk was taking out money from the cash drawer, the other subjects were stealing food and drink items. When the subjects left the location, the clerk got a vehicle/suspect(s) description. This information was immediately provided to surrounding agencies by TCPD. Within minutes, Carrollton Police stopped the vehicle the subjects were riding in. The subjects were detained and later taken into custody by TCPD officers. Most of the property was recovered. TCPD is not releasing how much money was taken since there are still some leads to be followed up on. The following people were arrested and charged with Aggravated Robbery:

- Konrad Strickland 17 YOA
- Gavin Griffith 17 YOA
- 16 Year old Juvenile male

The two adult subjects were transported to Denton County Jail after arraignment and each have a \$100,000.00 bond. The juvenile male was transported to the Denton County Juvenile Detention Center.

The Second robbery occurred on 05/30/09 in the parking lot of Whataburger, located in the 4700 blk of S.H. 121. The victim was standing in the parking lot at around 3:20 a.m., and was approached by a black male subject, in his early 20's, wearing a black shirt (with gold and silver graphics) and blue jeans. The subject struck up a conversation with the victim and then pulled out a pistol and demanded the victim's wallet. The victim turned over the wallet and the subject fled into an awaiting vehicle. The vehicle is described as a late model white Pontiac Grand Prix, driven by a white female, also in her early 20's, with curly blonde hair. TCPD is not releasing the contents of the wallet that was stolen. Although TCPD Criminal Investigations Division is following up on a good lead in this case, anyone that witnessed or has any information is urged to contact TCPD at (972)625-1887.
