The Colony Police Department is seeking help from anyone who may have information about a Robbery that occurred in the 4700 Block of S.H. 121 on 10/04/08, at Sally’s Beauty Supply.

Two black males entered Sally’s Beauty Supply at around 11:15a.m. One black male pretended to shop, while the other black male exited the business and waited just outside the store. When other customers made their purchases, the black male in the store approached the register to buy a product. The employee had to go to the office (in back of the store) to complete the purchase, while the black male subject was waiting at the counter. The black male subject then surprised the employee and forced the employee down on the floor and took an undisclosed amount of money from the office safe. The employee was threatened, but no weapon was displayed. The black male subject then ran out of the store. Both black male subjects fled in an unknown direction. It is not known if the black male subjects fled in a vehicle or on foot. The employee suffered minor injuries..

The black male subject that committed the robbery was described as 6’0”, athletic build, mid 20’s, and a very dark complexion. He was wearing a black jacket (with a hood), black sweat pants, and wore dark sunglasses throughout the incident.

The second black male subject is believed to be involved in the robbery by acting as a “look out”. He was described as 5’7”, also in his mid 20’s, and had a slender build. He was also wearing a black jacket (with a hood) and black sweat pants. He also wore a red baseball cap. He did not wear any sunglasses.

Both subjects wore their hoods on their heads throughout the incident in an attempt to hide their faces.

The police department is following up on some leads, but would like for anyone with any information about this incident to call the police department at (972) 625-1887.
