SUBJECT: Narcotics Search Warrant Executed

The Colony Police Department's Criminal Investigations Division, along with The Special Response Team executed a search warrant early this morning in the 6800 blk of Fryer. In a continuing effort to curtail drug activity in The Colony, narcotics detectives infiltrated drug activity at the location and learned that numerous drug activities and transactions were transpiring. Once the investigation was concluded, a search warrant for the residence was obtained.

The Special Response Team, along with detectives from the Criminal Investigation Division, served the search warrant at around 6:30 am. Once the residence was secured, a search of the residence yielded over 5 pounds of marijuana and over \$10,000.00 in cash. The marijuana, cash, and other drug paraphernalia were seized. Inside the residence was an individual identified as Corey Columb (26 years old), who was arrested and charged with Possession of Marijuana over 5 pounds. Mr. Columb was transported and booked into The Colony jail and is awaiting arraignment at the time of this release. As a result of the search warrant, other arrests should be forthcoming in the near future.
