In no case shall the weight of a loaded vehicle exceed a gross weight of 60,000 pounds or a maximum axle weight of 20,000 pounds.

Permit No. _____

Excess Axle or Gross Weight Permit Application

This permit is issued pursuant to the City Of The Colony’s Code of Ordinances, Chapter 19, Traffic, Section 19-14, to include vehicle weight limits for the streets in the Eastvale area. By issuance of this permit, the City does not agree to any language found on the information submitted, except as may be required by such ordinance. The petitioner does hereby agree to follow all city, state and federal laws, regulations and codes. In no case shall the weight of a loaded vehicle exceed a gross weight of 60,000 pounds or a maximum axle weight of 20,000 pounds.
