

Dear Valued Guests:

Get ready, the most exciting summer at Hawaiian Falls The Colony starts May 22, 2021! Despite the pandemic last year and the many challenges surrounding it, Hawaiian Falls The Colony was able to open and operate safely last season. We can't thank you enough for supporting our park through a very difficult year and we look forward to welcoming you back to a NEW Hawaiian Falls The Colony!

As you know, the Hawaiian Falls parks have been around for many years. What you may not know is that last year, Hawaiian Falls The Colony and Garland were purchased by Premier Parks. They own 11 other theme and waterparks across the country in some pretty neat places like Wet 'n' Wild Hawaii and Toronto, Island H2O Live in Orlando, The Rapids in West Palm Beach, Nashville Shores, Magic Springs in Hot Springs and Elitch Gardens in Denver to name a few.

Premier Parks is considered one of the top waterpark operators in the U.S. and they are committed to improving the guest experience at both Hawaiian Falls The Colony and Garland. We know the parks needs a little TLC, so we talked with the new owners and they agreed! We want to be your favorite North Dallas area waterparks, a place that's easy and safe to take the kids, where you can meet up with friends and feel like you are on a VACATION! While we can't make all the changes in the first year, hope to make them over time. We want Hawaiian Falls The Colony to be a special place for you, your family and friends. We want you to feel proud of your local waterpark and feel good recommending it to others.

Like we said, we want you to feel like you are on a VACATION when you visit our park, after all Hawaii is in our name! It should be an escape from the everyday, where you can experience something new, destress, relax but also be entertained, has something for everyone in the family, a place where you can treat yourself to fun food and drinks while you enjoy good customer service. Most of all, a place where you can spend time with your family, take lots of photos and create lasting memories!

Here are some of the changes we have planned for 2021 at The Colony:

- New signage, colors and cohesive theming
- Fresh and bright landscaping
- New furniture and more shade
- More entertainment with fun & games and all new celebration packages
- Better food quality and new bar area that will serve beer, wine, and frozen drinks
- Upgraded and remodeled restrooms

We plan to spend HUNDREDS of THOUSANDS of DOLLARS on improvements in 2021, while this won't buy us a new ride, it will help give the park a fresh look and provide for a GREAT guest experience. Please join us on the journey by following us on social media and telling your friends about Hawaiian Falls The Colony. The more you visit and invite others to visit, the more we will be able to invest in improvements each year! So, plan now to VACATION this summer at Hawaiian Falls The Colony! Get your season pass today for unlimited summer fun at both Hawaiian Falls The Colony AND Garland – NEW for 2021!
